# TRAIL MAP

Sabin Pond Trail

## 2 FOX DEN TRAIL

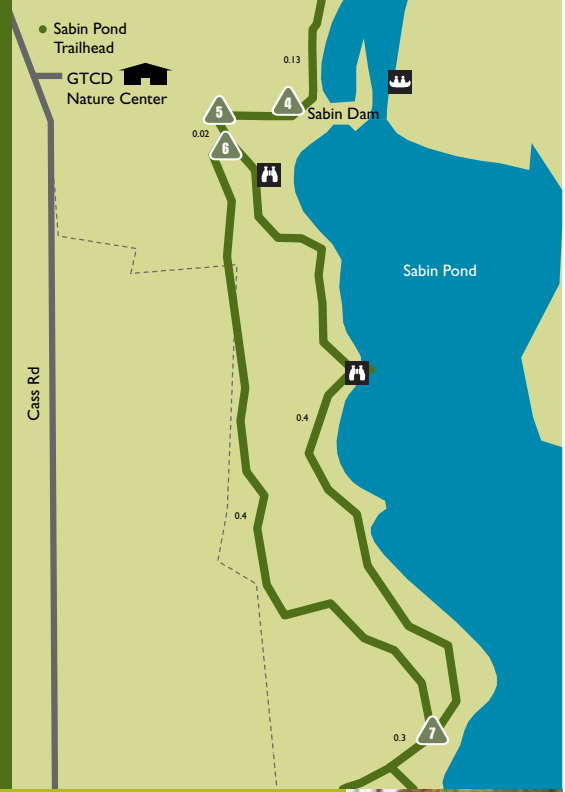

**0.6 MILES - EASY TRAIL**   
 PARKING: GTCD's Boardman River Nature Center, Cass Rd

This loop trail starts at the GTCD's Boardman River Nature Center and crosses a rustic footbridge over Jack's Creek. From there, a 900' boardwalk traverses sensitive wetlands and past fruit trees planted by early settlers.

## 3 SABIN POND TRAIL

**0.8 MILES - MODERATE TRAIL**   
 PARKING: GTCD's Boardman River Nature Center, Cass Rd

From the Nature Center, head south to view the pond on a suspended overlook. Continue south along a 500' boardwalk. Notice the changing vegetation as you head back to the Nature Center through northern hardwood forests and red and white pine stands.

## 4 BEAVER POND TRAIL

**0.7 MILES - MODERATE TRAIL**   
 PARKING: Boardman Dam, Cass Rd

From Cass Road, at the one lane bridge, head north through a beech/maple forest to a 900' boardwalk; look for the active beaver lodge! Head west to loop trail or continue North to the meadows picnic pavilion.

## 5 BOARDMAN POND TRAIL

**0.75 MILES - EASY TRAIL**   
 PARKING: Boardman Dam, Cass Rd

From Cass Road, at the one lane bridge, head south. This "out and back" trail follows the edge of Boardman Pond through shady forests. Enjoy the unique habitat provided by the pond and the forest edge.
